PRODUCT PREVIEW

Your next step, explained

ARRIVE AND GET AROUND JAPAN

Fumi is being developed to help explain your next step in Japan. Explore practical travel guides today at Fumi Tours.

Make sense of the journey

Understand the route, transfer and ticket questions that matter for your next leg.

Prepare for the station

Think through luggage, walking time, entrances and what to ask staff. Check the actual departure information before boarding.

Ask a useful question

Prepare a clear, polite question in Japanese and understand the reply.

Keep the trip context

Use selected details such as destination, party and arrival plan so the explanation fits the journey.

- “We are at the airport with two bags. Explain the transfer to our hotel and what we should check at the station.”
