HAVE THE CONVERSATION

Fumi is being developed to help with Japanese conversations. Practise today with the free Fumi Tours lessons.

Prepare the situation

Explain what you need at a station, hotel, restaurant or shop. Start with the practical outcome.

Understand the phrase

See the meaning and relevant tone, then practise words you want to use.

Support the exchange

Use supported text or speech tools to help a conversation along. Ask for clarification when a reply is ambiguous.

Learn something to keep

Save selected useful phrases and return to them before the next conversation.

- “Help me ask whether we can leave our luggage, and show me the replies I might hear.”
